**Attention: Mr Ken Paterson**

Dear Sir

**BUILDING ALTERATIONS - 147 CANNING HIGHWAY, SOUTH PERTH  
S AND M A KUSTKA**

We refer to your letter dated 5 December 2000 informing us that the above project had successfully reached "Practical Completion" on 17 November 2000.

From our own experience, feedback from John Garmony & Associates and the absence of any adverse comments from the owners, it is evident that Ken Paterson Architects have handled the project in an efficient and professional manner.

From time to time Chesterton International is asked to nominate architects to quote on Main Roads Department work and would confidently recommend Ken Paterson Architects should the occasion arise.

We have also approached the Project Management Division of Main Roads regarding a written reference for the above project.

Thank you for your assistance and co-operation in this matter.

Yours faithfully

**CHESTERTON INTERNATIONAL**
